The Agreement

This is the agreement between the **Stud Owner** and **The Breeder**, if at anytime there is a difference of opinions both parties agree that this document will be referred back to for resolution.

1. **The Breeder** prior to semen leaving **the Stud Owner** or the mating being carried out, will pay an amount of £1000 to the Stud Owner.
2. All costs, vets fees, shipping fees or any other associated costs for the taking of and sending semen to **the breeder**, (or the breeders veterinarian) will be paid in advance, before any semen is sent out or any mating's take place.
3. The Semen will only be used on the agreed female; semen will not be sold, used or passed onto anybody else, without the written authorization of the **Stud Owner**.
4. Upon successful mating and conformation of litter (at approx. 30-35 days post mating) the balance of the Stud Service fee or Semen Purchase Price will be paid in full, unless **Stud owner** would like to wait and decide at a later date whether he/she would prefer a POL puppy as payment.
5. A professional Veterinarian or Canine Pregnancy Scanner (between 30-35 days post mating) will carry out any and all pregnancy scans.
6. Pregnancy scan will be video recorded and sent to the **Stud owner** as confirmation. All videos will show clearly the agreed female being scanned from beginning to end of scan. Confirmation of scan result will be sent to the **Stud Owner** within 2 hours of scan being carried out, details of the company that carried out the scan will be sent to the **Stud Owner** by **the breeder** for verification if required.
7. In the event of a non successful mating, a 2nd repeat mating. will be provided by the **Stud Owner** with no fee. This repeat mating will be provided using the same male, during the next season of the female. If for any reason the Stud male is not available at that time, another male of equal, or better quality, will be provided by the Stud Owner (extra terms and conditions may apply).

8. All costs involved for the taking, testing and sending of a 2nd semen sample to **the breeder**, or the breeders' veterinarian, will be paid by **the Breeder** prior to the semen being sent or the mating taking place.

Specific Agreements for this sale
